Wireframing Prototyping

Usability testing

Accessibility design

System design

Design documentation

TOOLS

Design

Figma · Canva

Build

Unity (C#) · HTML / CSS /
JavaScript · VS Code

Project

Jira

Media

Premiere Pro · After Effects

Profile

UI/UX designer working across apps, games and VR, focused on interactive systems, motion and immersive experiences. I combine research, prototyping and visual design to make digital products that are clear, purposeful and easy to use, and I build them too, in Figma and Unity. **1st in my cohort** at Ngee Ann Polytechnic, and **team leader on most of my projects**, including a Capstone with the Singapore Police Force.

Highlights

1st

in cohort, Year 2
Sem 2

4.0

GPA every
semester since
Year 2

3×

Director's List

8

AD grades, incl. all
four cross-
disciplinary
modules

AD is Ngee Ann Polytechnic's highest module grade, awarded to only one or two students in a cohort.

Experience

Team Leader · SPF Capstone Project, Singapore Police Force 2025 – present

- Leading a 6-person team on an industry-proposed project: direction, task delegation and progress.
- Represented the team at the SPF project roadshow.

AD grade (Year 3 Sem 1)

Freelance Video Editor · YouTube

2020 – present

- Produced and edited 30+ videos, commissioned and self-initiated, in Premiere Pro.
- Focus on pacing, transitions, audio syncing and visual effects:

Selected projects

World Without Assumptions · VR empathy experience

2026 · team of 4

- Team leader and lead designer: VR interface (Figma → Unity), game systems, voiceovers and all documentation.
- One in-depth user test (persona, user flows, journey map) plus testing with about 20 people. A tester with dyslexia singled out the dyslexia-support features.

AD · Experiential Design

SeatSure · campus seat reservation & food ordering app

2025 · solo

- Research, design and prototype done solo, tackling a real problem on campus: students unable to find seats or buy lunch at peak times.
- Tested with about 10 people, who all saw it as a realistic, implementable solution.

2nd in class · Best Performance in Designing User Experience

STRENGTHS

- Leadership and delegation
- Clear communication
- Problem-solving
- Adaptability
- Detail-oriented

LEADERSHIP & COMMUNITY

Project Leader, 10+ group projects

Ngee Ann Polytechnic

Leader, SPF Community Roadshow

2025

Volunteer, Kwong Wai Shiu Hospital

Community service · 2024

Sound Effects Designer

Singapore Youth Festival · 2023

Executive Committee, Drama Club

St. Gabriel's Secondary School

CERTIFICATES

Basics of User Experience Design

UniAthena

Foundation Course

Luma Institute

LANGUAGES

- English, fluent
- Chinese, fluent

REFEREES

Available on request.

More projects

Convinight Shift + ShiftCheck · game and companion app 2025 · team of 3

- Team leader: ran daily stand-ups and the playtests; designed the ShiftCheck companion app solo. Originally pitched for the Delta Challenge.
- Play-tested by about 20 students, who found the rising difficulty made it replayable.

AD for design · Best Performance in Designing User Experience

Smart Borrowing Kiosk · equipment borrowing kiosk and app 2025 · duo

- Designed the system, UX navigation and app UI for borrowing and returning equipment; my teammate built the physical prototype.

Shortlisted (1 of 5 teams) for real-world implementation · 2nd on the shortlist

Fireboy & Watergirl Controller · physical game controller 2025 · solo

- Analysed the game's interaction problems and designed and prototyped a tangible controller. The design was very well received by those who tried it.

1st in class

Frame Social · campaign concept for Burnt Cones 2026 · team of 4

- Mock campaign for a real business, built on an on-site visit and an interview with branch staff, and taken through a full social media implementation process. Team leader, persona owner and documenter.

A+

Prestige · gamified product design 2024 · duo

Project leader and lead designer · AD · Project Management

Recognition

1st in Cohort Year 2

Ngee Ann Polytechnic · Year 2, Semester 2

2nd Most Outstanding Performance in Cohort AY2025

Ngee Ann Polytechnic · Year 2, Semester 1

Director's List, three times 2025 – 2026

Year 1 Sem 2 · Year 2 Sem 1 · Year 2 Sem 2

Best Performance in Designing User Experience AY2025

Module award · Ngee Ann Polytechnic

AD in all four Interdisciplinary Studies modules 2024 – 2026

Cross-faculty team modules · top in the whole of Ngee Ann Polytechnic for Find Your Voice

AD in Designing User Experience, Experiential Design, Project Management and the Capstone Project 2025 – 2026
